Reports

MISSIONS COMMITTEE

The Missions Commmittee has met regularly this year. Each meeting was begun with prayer for our Associational Missionary, specific needs of individual churches, and needs of individuals within our Association.

This year, our committee began with three new members who had not served on an Associational Missions Committee before. Therefore, we began our work earnestly praying for God's leadership in guiding us to those projects we should undertake and undergrid. Our first job was that of approving and sending to the State Convention a form for Convention Aide for the Timberlake Church. Next, we began to evaluate the prison ministry which had been considered earlier by the preceeding Missions Committees. After much prayer, discussion, and evaluation we felt this effort should be terminated.

Thus, we again found ourselves seeking God's leadership in the direction we should take. It was unanimous among committee members that we should take a ''ground-level'' approach, one that would benefit each church, strengthen the concept of and unity of Beulah Baptist Association. It is our prayer that all thirty-four churches will see one another in the light of I Corinthians 3:9 ''For we are partners working together for God...'' (TEV).

We then began to look for ministries we could undertake as an Association. Mountain State 200 became our first emphasis. During executive committee meetings we encouraged our churches to participate in this joint effort with the West Virginia Baptist Convention through prayer, mission volunteers, and church supplies (i.e. old hymn books, choir robes, pews and etc.).

During April, we sent out a letter with information concerning ''Associational Emphasis Week'', May 18-24. We encouraged each pastor to have a service for recognition of and prayer for our association, our Associational Missionary and our churches.

After this, we felt the need to contact Mr. Ernest Upchurch (Director of Research and Analysis) of the State Convention for instruction on the avenues a Missions Committee could take. Since June, Mr. Upchurch has met twice with members of our committee. Upon his recommendation, we have begun a research study of our association. This study includes: a comparative ten year statistical report of all churches in our association, a mapping of our entire association with all churches and their location, a compilation of population figures and the total number of churches and resident members of all churches in our associational area. The goals of this study are: to help each church evaluate its strengths and weakness, to help other associational committees understand what programs they may need to emphasize, to ascertain if there is need of new work in the association, and to understand the evangelistic needs of our churches and association. At the time of this writing, this report and research is still in progress.

Herbert Brown, Chairman

WOMAN'S MISSIONARY UNION

''Life-Changing Commitments'' has been the emphasis for WMU in 1981. Some of our WMU members have made life-style changes, but many more of us need to change in order to help our women and girls find more time for prayer, missions involvement and ways to spend less money for self and give more for mission support. Let's really be bold!

This has been a busy year with many various activities-interesting meetings, well attended, good fellowship and shared mission action.

In February, Mr. Lamm led our Home Mission Study at Westwood Baptist Church. He did a splendid job in bringing first-hand information about Associational Missions.

Our annual meeting was held in the beautiful new North Roxboro Baptist Church. Our Leadership Conference was held at Westwood Church.

A big "thank-you" goes to the churches who have so graciously invited us in for meetings and to all the Pastors who have been great in their support.

This is my last year as your director but I am very happy to leave you in the capable hands of Mrs. Lamm your new director.

I do want to thank every WMU member in Beulah Association for the good work you are doing and for the support you gave me while I was your director. I love each of you and urge you to be more dedicated each day, work, pray, and give more than you ever have.

I'm always available to help in any way I can. May God richly bless you all!

Prayerfully submitted,
Myrtice B. Woody (Mrs. J.J.)

MUSIC

We enjoyed the Key Leadership Conference at Ridgecrest this year. The focus was on the importance of the music program on the Worship Services.

The Music Directors in the Association showed their support by turning out to the Associational Key Leadership Conference, held at Roxboro Baptist Church. In this conference we shared the strengths and weaknesses of our music programs. We hope to undergrid our weaknesses and reinforce our strengths this coming year, so that we may best use our God given talents for His service.

SUNDAY SCHOOL

A study of the statistics of Beulah Baptist Association Sunday Schools reveal some alarming facts about the 70's.

1. Associational-wide Sunday School enrollment has declined by 15.7%.
2. Associational-wide average Sunday School attendance declined by 19.7%.
3. Church membership over the same period grew by 14.4%.
4. Of the 34 churches in Beulah Baptist Association only eleven showed that the average attendance increased, this was average percentage rate of 17.5%, while the remaining churches declined at the average rate of 22.7%.
5. The 1980 census shows that in Person County alone there are 11,000 unchurched people. If the 40% black and 60% white ratio is accurate, there are 6,660 unchurched people who are prospects for someone's church.

Traditionally, Sunday School has been a top priority for Southern Baptists. Most of the people who enter our churches come through the Sunday School.

This year we held a Bible Venture Campaign to assist the churches to rethink Sunday School. Three of our churches took advantage of this opportunity. We are also planning a Basic Sunday School Workshop.

My prayer as Associational Sunday School Director is to assist you in growing your Sunday School. Arthur Flake gave five principles of growing a Sunday School. They are:

1. Locate the People
2. Enlarge the organization
3. Provide adequate space
4. Enlist and train workers
5. Go after the people by visitation.

I urge you for the glory of Jesus Christ to make Sunday School Enlargement a priority for the 1981-1982 church year.

BAPTIST CHILDREN'S HOMES OF N.C.

The ministry of the Baptist Children's Homes in Piedmont North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Thomasville Family Services Center offers to residents in the 28 surrounding counties any and all services of our statewide ministry. Many of these services are actually located within these counties: group care at Mills Home, a specialized group home at Wall Home, Wallburg, emergency care at High Point and Burlington, a network of licensed foster homes, therapeutic camping in Moore County, social service offices in Hickory, Thomasville and Burlington, the Child Development Center and Family Resource Center in Thomasville, plus counseling and referral services.

During the past year an amphitheater has been completed on the Mills Home campus under the sponsorship of the Alumni Association. The therapeutic camping program of the Institution has been consolidated to make use of the Cameron Home near Vass.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Services Centers have been opened with three others in planning stages. Children are being provided temporary care in seven Emergency Care Homes. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the State who are in the best position to assist families through a concept of preventive care..

Larry Sawyer and members of the staff of the homes in Piedmont North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (I Corinthians 3:9). Thank Him for this relationship.

Charlie Sams

BAPTIST HOMES

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N.C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of

Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels - the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His Blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N.C. Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

BAPTIST HOSPITAL

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expanded more than $3 million on technological equipment, including the installation of an 18 MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year - many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion. In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

CHRISTIAN EDUCATION

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is **On Mission: The Church/College Alliance.** By means of a complementary copy to pastors, mailed on September 1, the colleges hope to create interest among the churches for studying the book. Chapter titles are:

Chapter I-What are the Purposes of a Christian College or University?
Chapter II - Who are the People Who Make Up the College Community?
Chapter III-How does the College Community Decide on Policies and Programs That Will Genuinely Reflect the Purpose of a Christian Institution?
Chapter IV - What are Some of the Distinctive Problems that Baptist Colleges Encounter as They Attempt to Fulfill Their Educational Mission in a Christian Context?
Chapter V - How do Baptist Colleges Seek to Encourage Students in the Continuing Development of the Religious Dimension of Life?
Chapter VI - How do Baptist Colleges Decide Which Students Should Be Admitted? How can Baptist Young People of Limited Means Afford the Cost of Attending a Baptist College?
Chapter VII - Why Should the Baptist People of North Carolina Support Institutions of Higher Learning?

Copies of the book will be sent, free of charge, to those who request it. A study guide is also available.

The 1981-82 school year is filled with financial uncertainties across the nation. North Carolina Baptist Colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through the Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of your colleges and universities. Thank you for you faithfulness in the development of college-related churches.

ANNUITY BOARD

Motto: "Serving These Who Serve The Lord"

Historical Information:

According to the Minister's Money Management pamphlet, "William Lunsford paved the way for the organization of the Annuity Board of Southern Baptist Convention by focusing conventionwide attention on the plight of old and disabled Baptist ministers, their wives, and their children. Many of these ministers suffered tremendous financial need when years of active ministry ended.

Firmly believing that people who dedicate their lives to the gospel should have the love of care of their brethren in their last years, the Southern Baptist Convention passed a resolution to organize the Board of Ministerial Relief and Annuities in 1918. A gift of $100,000 from the Sunday School Board helped launch this new enterprise located in Dallas, Texas.

The name was changed later to Relief and Annuity Board of the Southern Baptist Convention. In 1963 the name was changed again to Annuity Board of the Southern Baptist Convention."

Services Offered:

1. Primarily, the Annuity Board is concerned with providing retirement income to ministers and their families.
2. Counsel as well as resource information for retirement planning are also available through the Annuity Board.
3. A special Memorial Fund has been established for assisting needy churches in starting retirement programs for their ministers.
4. A relief program which is funded through the cooperative program, has provided assistance to retired ministers and widows of ministers in meeting unexpected emergency needs.

CONCLUSION:

I Timothy 5:17-18, "Let the elders who rule well be considered worthy of double honor, especially those who labor in preaching and teaching: for the scripture says, 'You shall not muzzle an ox when it is treading out the grain,' and, 'The laborer deserves his wages.' " I believe we in the Church have a "Holy Mandate" from God to try to care for these laborers as long as they are with us on this earth. The Annuity Board has simply provided a way by which we in the Church can come closer to fulfilling this "Holy Obligation."

BIBLICAL RECORDER

Again this past year, the **Biblical Recorder** has reminded us all of the value of good church-pastor relations. This is just one of many subjects the **Recorder** seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The **Recorder** is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The **Recorder** also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The **Recorder** was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there—a front row seat, as it were, for only 7 cents (cost of one **Recorder.**)

When people know the truth-- and the truth must be spoken in love-- we have a better convention, better churches, better associations and better individual Christians. The **Recorder** is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the **Recorder**, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely every church and every individual can afford that much.

The North Carolina Baptist Foundation, Inc.
1981 Report to the Baptist Associations of North Carolina

During the past year, twenty-three new trust funds valued at $385,016 were established with the N.C. Baptist Foundation. Coupled with the additions to existing trust, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

- Foreign Missions trust funds increased by approximately $26,000.
- Home Missions trusts increased by $8,000.
- Baptist Children's Homes of North Carolina trusts increased by approximately $19,000.
- Southeastern Seminary by $12,250.
- Fruitland Bible Institute by $33,000.
- N. C. Baptist Homes by $1,500.
- Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
- Cooperative Program by $7,000.
- Statewide Student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ - even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Edwin S. Coates, Executive Secretary

RESOLUTIONS

Whereas the Baptist State Convention of North Carolina has encouraged its member churches to discover and reach the unchurched people of North Carolina

Whereas there are 11,000 unchurched individuals in our immediate area

Whereas April 4 through April 18 has been designated for simultaneous joint revivals in the churches in the Piedmont areas

Be it therefore resolved that messengers to the one hundred forty-seventh session of the Beulah Baptist Association

Urge our churches to participate in the simultaneous revivals

Urge our churches to conduct a yearly search of their community to discover the unchurched

Urge our churches to undergird their efforts with an emphasis upon prayer

Urge our churches to undergird their efforts with an emphasis upon witnessing training

Urge our church staffs and laypersons to personally seek opportunities to share God's plan of salvation through believing on the Lord Jesus Christ.

Dr. Donald McKinney
Mr. Ronald Dunevant
Mrs. Talmadge Wilcox

STEWARDSHIP COMMITTEE

The Stewardship Committee met once this year. Our primary task was to plan the associational budget.

We are God's stewards, as individuals and as church bodies forming the Beulah Bapist Association. As members of the Association, we prove to be responsible stewards as we give financial support. Thirty-one of the thirty-four member churches gave such support during the 1980-81 associational year. Please know that your giving is greatly appreciated. We know that you will continue with us to take seriously the joy and responsibility of financially undergirding the mission of our Association. It has been the encouragement of this committee for the last few years "that each church strive to give at least 4% of its budget to Associational Missions by 1982." We can do it! Not only will you know the joy of reaching a revelant goal, but this will enable our Associational leadership to continue to relate effectively to the needs of our churches and the mission needs of our communities—all to the glory of God!

Again, thanks for your positive response in the financial support of your church to the Beulah Baptist Association!

BIBLICAL RECORDER

Workers change but the work goes on. This is the simple message from the **Biblical Recorder** this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him is R.G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one. He came to the **Recorder** from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, **Church and State.**

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the **Biblical Recorder,** primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The **Recorder** has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new **Recorder** editor and his family. As his schedule permits, he will be speaking in churches and associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

Hassell Lamm, Sr.

CHRISTIAN EDUCATION

At the present time there are 72 institutions of higher learning in the Southern Baptist Convention. This number includes Bible Schools, academics, colleges, universities and seminaries. There are seven Baptist Colleges and Universities in North Carolina. These are: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. North Carolina is fortunate to have a Bible School, Fruitland Bible Institute, and a Southern Baptist Seminary, Southeastern Baptist Theological Seminary.

Opportunities for a good education abound in North Carolina. Almost anyone who is willing to sacrifice some time and effort can avail himself a good education. This has not always been the case. Less than 200 years ago the frontier preacher had little or no formal education. These men felt God's call and proceeded by taking the Bible under their arm and set out to establish new churches or hold meetings in the established ones. Salaries were paid (if there was a salary) in chickens, eggs or an occasional ham. We thank God for the blessing of educational opportunity that Christian workers can be trained to serve effectively. We thank God for the dedication of administrators and teachers in these institutions. We thank God for local churches who give faithfully through the Cooperative Program to support these institutions. We also thank God for the commitment of students who seek training at these institutions and go forth to proclaim Jesus Christ is Savior and Lord to our world.

Southern Baptists have also seen the need for training the laymen in the local church who does not have the opportunity or need for a degree from one of these previously mentioned schools. This program is known as Seminary Extension. More than 10,000 persons are now enrolled in one or more courses. Seminary Extension students are in all fifty states and a number of foreign countries. Eighty percent of these attend classes in one of the approximately 400 Seminary Extension Centers. This program could be a real blessing to our association as it would avail our teacher and leaders in the local church the opportunity for concentrated study and spiritual development. We must pray in regard to the Lord's leadership in this area of our ministry in Beulah Association. II Timothy 2:15.

BAPTIST HOSPITAL

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's out-patient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures; (1) A new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than a standard angiography. It also requires less time and can sometimes be done on an out-patient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Acreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Dan Phipps

MUSIC

We would like to thank those represented at the Associational Music Conference in March, for their interest and attendance. This conference was informative and we pray was effective in improving the music programs in these churches.

Charles Storey of the State Music Department led the Music Directors conference and instructed us in the learning of notes and their value, various methods of directing music, how to have an effective and meaningful choir rehearsal, and ways to make the music program a more meaningful part of the worship hour.

Mr. Mel Luther led the pianist and organist in ways to be a more effective accompanist, how to work with the Music Director in selecting hymns, and many other valuable things.

It has been a joy serving you these past three years. We do regret that time and circumstances of distance and my pastoral position did not allow us to work closely with individual needs. May God's blessings be upon you as you begin another year's work in His Service.

Respectfully submitted,
Ray Futch

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The primary purpose of the Baptist Children's Homes of North Carolina, Incorporated is to minister to children and families who need the services we offer. Our main goal is to rehabilitate families.

All Services of the Baptist Children's Homes are available through the Raleigh Family Services Center. These services include: Group living on four campuses, foster care, therapuetic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development: counceling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered by twenty-five locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Need Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Leonard Gerrald is the Director of the Raleigh Area Family Services Center with offices in the Raleigh Associational Office. He is responsible for Children's Homes' service in Wake, Johnson, Lee, Chatham, Orange, Durham, Franklin, Nash, Person, Granville, Vance and Warren Counties.

Respectfully submitted,
Mike Osborne

NORTH CAROLINA BAPTIST HOMES

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of a far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our Major concern presently in our Homes' Ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57%

of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Issac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

NORTH CAROLINA BAPTIST FOUNDATION, INC.

When it was chartered in 1920, The North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes, and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase - promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense - even after death.

MISSIONS COMMITTEE

The major work of the Missions Committee was centered in Research Study of Beulah Baptist Association. This was conducted by our committee with the assistance of the Director of Missions and under the supervision of Dr. Ernest Upchurch, Director of Research and Analysis of the Missions Division of the Baptist State Convention of North Carolina.

The purpose of this study was to determine the need and potential of new work and growth in our Association. The Committee did this by: studying the population growth or decline for the last ten years (1971-1980); finding the number of people being reached by all denominations and the number not being reached; and studying in depth what Beulah Churches are doing. There were three basic objectives of this report: strengthen the existing churches and their organizations to be more effective in their ministry; starting new units of work in existing churches such as classes, departments, and organizations; and starting new churches and missions.

On February 15, 1982 a special Pastor's Conference was held to give out this report and hear analysis of it by Dr. Upchurch and Miss Sarah Ann Hobbs. At that meeting all pastors should have received a report giving: ten year population statistics by townships; the number of churches and their membership according to their denomination in out two counties; the potential for outreach; and ten year statistics for all Beulah Association Churches.

The overall recommendations of this report were: to have more organized Associational planning, to help strengthen existing organizations in our churches and to promote new work in present churches and new mission churches in our Association.

Our prayer is that this report helped and is helping each of our thirty-four churches minister more effectively in Christ's name and to realize there is much more to do.

Herbert Brown, Chairman

AMERICAN BIBLE SOCIETY

Millions of people will recall 1981 as the year in which they were first introduced to God's Word—the year in which they discovered Jesus Christ—and for many of them the year in which they accepted Christ as their Lord and Savior. Bible Societies around the world distributed a total of 44,130,089 Bibles, Testaments, Portions and Selections in 1981. This represented a 0.9 percent increase over 1980's figures, and included more completed Bibles (10,441,456) than in any other year.

The goal of the American Bible Society is still the same as it was when it first began 166 years ago—the translation, publication and distribution of the Scriptures in the language of the people without doctrinal note or comment and without profit. As a vital Scripture resource agency to the Southern Baptist Convention, as well as to all other churches, the ABS will continue to work with the United Bible Societies around the world to provide Scriptures to more people than ever before in languages they can readily read and understand.

FINANCIAL SUPPORT

The accomplishments highlighted in this report was made possible because of gifts received from individuals and churches.

The American Bible Society thanks the Southern Baptist Convention in particular for its steady level of support. A total of $321,409.97, or approximately two cents per member, was given by Southern Baptists in the year 1981. This represents an increase of 9.5 percent over giving in 1980.

In recognition of the growing number of requests for Scriptures throughout the world, and the rapid increases in inflation, the American Bible Society asks that the Southern Baptist Convention not only continue, but increase its support of the Bible cause. This seems especially appropriate when considering the close and continuing relationship between the Southern Baptist Convention and the American Bible Society in the common purpose of Scripture translation and distribution.

We know that we have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility for the Bible Societies. It is a responsibility which all Christians must recognize and to which all must respond generously.

EVANGELISM

"Here's Hope North Carolina" was the theme for the 36th annual Statewide Evangelism Conference, February 8-9, 1982 in Greensboro, with 2500 people in attendance; the best consistant attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three - Fayetteville, Greensboro, and Asheville. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs. The Key Leadership meeting in Ridgecrest introduced the associational evangelism chairman to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible Study; Dr. Landrum Leavell, Dr. B.O. Baker, Dr. Joe Ford preaching, and Dick Baker leading the music.

On February 1, 1982, J.W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

ANNUITY BOARD

"SOLID GROWTH AND EXPANDING ACHIEVEMENTS"

NORTH CAROLINA

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

As of March 31, 1982, we had processed the following:

70 - Southern Baptist Retirement Program application
14-applications for age retirement benefits
501 - retirement program upgrades

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be minimum. In 1981 North Carolina reported 1,032 upgrades!

Six (6) VIDEO TAPES are now available for churches and associations to assist in understanding the protection programs of the Annuity Board. Order from the Film Library, Baptist State Convention.

In Beulah Association 24 churches and 27 staff members are participating in the retirement program. Of this number 6 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

WMU

I would like to share with you a few of the things we have done this year.

November-On Sunday Afternoon, November 15, the Foreign Mission Study, "The Way to Timbuktu," was taught by Mrs. Vernon Lewis. Rev. Vernon Lewis shared with us some of his experiences he had had on Evangelistic trips to Foreign Countries. The Montwood Baptist Church was host with 120 attending.

December-Week of Prayer for Foreign Missions was held in most of our churches. We sent $197.05 to Women's Correctional Institution in Raleigh, to help make their rooms more liveable. Also retreats have been held at Munda Vista for them.

January-We sent $25.00 to Rev. Vernon Lewis to help with his trip to Nigeria, as an Evangelist, in February.

February-WMU Focus week was observed in many churches. The Home Mission Study, "Challenge of the Cities", was taught by Margaret Lamm at the Roxboro Baptist Church with several churches attending.

March-A large group attended the State Annual WMU meeting in War Memorial Auditorium in Greensboro. Also, Week of Prayer for Home Missions was observed.

April-The Associational Annual WMU Meeting was held at the Roxboro Baptist Church with 137 attending. We recognized past WMU Directors (Associational) who are still living in this area, and presented them with a corsage. There were six.

Mrs. W.C. Pulliam	1950-1953	
Mrs. Arch Walker	1954-1956	
Mrs. B.E. Berry, Jr.	1957-1958	
Mrs. Fred Gentry	1959-1962	
Mrs. Hassell Lamm	1967-1970	1981-1982
Mrs. J.J. Wood	1975-1980	

Note: Mrs. W.C. Pulliam passed away the day this stencil was being typed, October 14, 1982.

September-The Leadership Conference was held at the Clement Baptist Church with 113 present.

Also Council Meetings were held quarterly at the Director of Missions' Office.

We thank the churches who were so willing and gracious to let us meet with them. Our attendance has been excellent at all our meetings and enthusiasm high. I would like to thank the Nominating Committee, Mrs. Ray Cumbee, Chm., Mrs. John Hite, and Mrs. Fannie Belle Loftis for a job well done.

For the first time we now have Assistant Directors for each age-level group to work with the Directors, for which I am thankful. I would like to thank the officers and each of you who have done so much to make this a good year.

"Hark The Voice of Jesus Calling," Who will go and work today? God has called us:

To teach Missions
To Study Missions
To Pray for Missions
To give to support Missions and to work here in our own community

Teach Missions continues to be the primary responsibility of WMU. The Master has called loud and long. We have heard and we have been working and I commend you for what you are doing.

This has been a good year, but the fields are still white-and the harvest waiting. Men are still dying. Jesus is still calling. We must work harder-We must pray more-We must commit and dedicate ourselves anew to Him, saying, "Here Am I, Lord, Send Me."

Respectfully submitted,
Margaret Lamm, WMU Director

1981-1982 STEWARDSHIP COMMITTEE

The Stewardship Committee met once this year. Our primary task was to plan the associational budget. We propose that the association adopt a budget totaling $32,420.00-the same as last year's budget.

In our Associational Key Leadership Conference, seven church leaders representing four churches participated in the stewardship group. Thirty-two of the thirty-four member churches gave financial support to the associational program during the 1981-82 associational year. Please know that your giving is greatly needed and appreciated.

Several timely videotapes (sixteen to twenty-four minutes in length) dealing with some aspect of Christian Stewardship are available through the Stewardship office of our Baptist State Convention. Among them are;

"Living the Responsible Life"
"Money Management from a Christian Perspective"
"The Cooperative Program: Love in Action" and
"Ministry-Action Budgeting".

BAPTIST HOSPITAL

Report to the Associations

1983

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

Dan Phipps

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The primary purpose of Baptist Children's Homes of North Carolina, Incorporated, is to minister to children and families who need the services we offer. Our main goal is to rehabilitate families.

The Raleigh Area Family Services Center seeks to serve children and families within a twelve county area. These counties are: Chatham, Durham, Franklin, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren.

We are available to share our Baptist Children's Homes services with people in the churches and communities. We appreciate the help so many people give us when they share with others the story and ministry of the Baptist Children's Homes.

The Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care, and with services being offered from twenty-five locations across North Carolina, Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

David and Betsy Forsythe continue to provide child care services to both boys and girls through the Henderson Emergency Child Care Center, 305 South Chestnut Street, Henderson, N.C. This program is a cooperative effort between Henderson First Baptist Church, the Cullum Baptist Association and Baptist Children's Homes of North Carolina.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

MISSIONS

The work of the Missions Committee was limited this past year because of very demanding pastoral schedules of its members. Several meetings that had been planned had to be canceled at the last minute because of emergencies. The committee was only able to meet three times.

Each of these meetings began with a prayer time for churches of the Beulah Baptist Association and their various needs, our Director of Missions, and God's direction in leading our Association to be more mission conscious. We continued to pray that our churches are being helped and directed by the Research Study completed by this committee in 1982.

The major idea conceived in these meetings was for a joint effort of the Evangelism and Missions Committees to promote and plan a county-wide evangelistic crusade in the next two or three years. Please pray for the Lord's guidance on these committees as they pursue this matter in the coming year.

Respectfully submitted,
Herbert Brown, Chairman

NORTH CAROLINA BAPTIST HOMES, INC.

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Milford Oswald

BAPTIST FOUNDATION REPORT

Have you ever received a "Mrs. Pig letter?" We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that **Postman of Bayberry Lane** was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mail box but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters."

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00 Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

AMERICAN BIBLE SOCIETY

In 1982, Southern Baptist churches gave the American Bible Society gifts totalling $324,612, to help in sharing God's Word around the world.

Gifts went directly into the translation, publication and distribution of Scriptures in over 150 countries, including the more than 90 countries in which Southern Baptists have an active ministry.

For 167 years the American Bible Society has pursued a single goal: to provide people everywhere with the pure Word of God without doctrinal note or comment. At the outset primarily national in scope, the Society has broadened its Scripture ministry through the United Bible Societies to encompass nearly all of the world.

Last year ABS distributed over 244 million Scriptures globally mainly through churches, missions, hospitals, schools, and other institutions as well as through the dedication of untold numbers of individuals.

Let us as Southern Baptist churches in this association help by contributing to the American Bible Society.

Respectfully,
Leonard L. Watlington

SEMINARY EXTENSION

Beulah Baptist Seminary Extension is now one year old! We are teaching courses in two locations and we have enrolled approximately forty (40) students. Presently, Rev. Bill Taylor is teaching Systematic Theology at Roxboro Baptist Church as part of his Doctor of Ministry degree requirements.

Scholarships are available for students who are officially registered and receiving textbooks. Church Study Course credits are now available for those who take Seminary Extension courses. We have a partial list available at your request.

Rev. Harold McNabb will be teaching the second semester of New Testament Survey (Acts through Revelation) during the winter term at Timberlake Baptist Church. Women In The Church is a possible Spring selection.

How may we serve you and your church? Your pastor can teach you Seminary Extension courses if you can get just ten (10) people to register. Ask us about the process of getting him certified to teach college level or basic level courses at your church.

The Seminary Extension Director works as an associational officer whose job assignment includes promotion of Seminary Extension work. He is elected by the association and works in cooperation with the Director of Missions and the State Director of Seminary Extension. A Seminary Extension Director serves as a resource person to acquaint people in his association with Seminary Extension resources. Through conferences and personal contacts, he seeks to match those resources with ministry education needs as he finds them. Also, he works closely with the associational leadership to guide and encourage them in establishing Seminary Extension Centers in their areas. Through such centers, seminary-type courses on the pre-college and college levels are made available to numerous persons.

Beulah Baptist Seminary Extension Center has a committee of three pastors who serve as advisors: Dr. Don McKinney, Rev. Ron Boswell, and Rev. Bill Taylor.

WMU

The emphasis for 1982-83 was Life Changing Accountability. Feeling our responsibility to God and the WMU leaders of the churches, the WMU Council members have sought training for ourselves in order that we might be able to train others to carry out their responsibilities in WMU. Workshops were attended in Oxford and High Point.

The Acteens Director, Mrs. Charlotte Good, and Assistant Director, Mrs. Buddy Hall, took their Acteens Council to Mundo Vista in October for training. An Acteens International banquet was held at Roxboro Church in December, an overnight retreat in April and a leaders' night out in January.

A WMU Manual study was held at Roxboro Church in October with 34 ladies attending. A Baptist Women Manual study was led by BW Director Mrs. Marian Whitt and Assistant BW Director Mrs. Alma Dunevant at Berry's Grove and Kerr's Chapel Churches. Several churches participated.

The churches cooperated with each other in teaching the foreign mission book, **Bangkok, An Urban Arena**, by Ronald C. Hill. The home mission study, **Sodbusters**, by Phyllis Thompson was studied. Also the weeks of prayer for foreign and home missions were observed in the churches; Lottie Moon Christmas Offering and Annie Armstrong Easter Offering was taken.

The N.C. Annual WMU meeting was held at Ridgecrest March 18 & 19 with eighteen ladies attending. This was a first experience at Ridgecrest for several ladies.

The Associational Annual Meeting was held at Cavel Church with good attendance. Miss Hattie Gardner, retired missionary to Nigeria, was our speaker. Before returning to S.C., she spoke to the students at Bethel Hill School and also the Bethel Hill Baptist Women. Mrs. Jennie Dawkins from McBee, S.C. was our guest.

Clement, Cavel, Roxboro and Berry's Grove Churches were represented at the Appointment Service for Mike and Linda Branscome to Venezuela and Phillip and Beth Oakley to Benin May 24 at First Baptist Church, Richmond, Va. Beulah Association honored the Branscomes and Oakleys, Hulon & Nina Welch, volunteers, and Carol Leigh Humphries, missionary to Nigeria, with a tea at Berry's Grove Church August 7. Refreshments were served by the WMU.

A Prayer Retreat was held at Lea Bethel Church June 4, led by Mrs. Margaret Lamm. It was well attended and a good spirit prevailed.

Eight people from the Timberlake Baptist Church, one from Berry's Grove and one from Roxboro participated in the Witness Saturation effort in Pennsylvania June 5-10 sponsored by the Home Mission Board and the S. Jersey/Penn. Conv.

The WMU Director attended WMU Week at Ridgecrest July 30-August 5.

Beulah WMU participated in the Raleigh Correctional Institute project by providing money for bedspreads for the inmates for Christmas.

We see training as a perpetual need, and we are ready and willing to help any Church with their needs.

Respectfully submitted,
Mrs. Inez Rogers, WMU Director

R. A.

When I accepted the position of your R.A. Director last March, I set the follwing goals:

1. To give each church the opportunity to learn about the R.A. Program and to better educate their leaders.
2. To build a strong program where each young man would be able to better understand missions through a saving knowledge of our Savior.
3. To have Christian fun and fellowship with other young men.
4. To better understand his role as a young Christian in his church, association and state.

Below you will find some ways we have been accomplishing these goals.

On March 15th we had our 1st Leader Training Session at Somerset with 23 men present. On March 19th we had a kite flying contest for R.A.'s, grades 1-6. We had 23 to participate. On March 25-27 we had 14 Pioneer R.A.'s, grades 7-12 participate in the annual R.A. Congress held at Wake

Forest University in Winston-Salem, N.C.

April 16th we held an R.A. track meet for R.A.'s, grades 4-12. We had 75 boys participate from 8 area churches at Person Senior High. On April 29th and 30th we carried 18 R.A.'s, grades 4-6, to our Camp Caraway in Asheboro.

May 20-22 I participated in a State Training Session in Hickory. On May 13-14th we took 24 R.A.'s to our State Track Meet in Raleigh where we reached the finals in 19 our of 22 events after competing with 750 other R.A.'s in the beginning.

On August 5th and 6th I participated in R.A. Director Training at Camp Caraway. August 30th we had our 2nd Associational Leadership Training at Somerset with 14 men.

I am proud to be your R.A. Director and feel very good about the past year and look forward to a successful coming year as we celebrate our 75th anniversary as Royal Ambassadors. Finally, our R.A. program is only as strong as each of us allow it to be, thus I am asking each of you along with me to be in prayer for our R.A. Program and me, also to support the program in your Church. God Bless you and your Church.

CHRISTIAN EDUCATION

The Southern Baptist Convention currently operates 72 Bible schools, colleges, universities and seminaries across the nation. We in North Carolina are fortunate to have many of these institutions in our state.

While education for pastors has come a long way, there is still far to go. However, Christian education must not stop with the training of its pastors. All Christians are ministers under God and are therefore, to be trained as much as possible.

A concept that has had much influence in this area for the laymen has been the Seminary Extension program. The Beulah Association has recently begun offering courses for laymen in our churches. There are small tuition rates to be paid, the courses are taught by pastors who are certified by the Seminary Extension program and there are some scholarships available for those participating.

This Association encourages all who can to take as many classes as you can. "Study to show yourself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

BEULAH BAPTIST ASSOCIATION STEWARDSHIP COMMITTEE

The association sponsored a stewardship conference, March 1983, with twenty-one (21) pastors present. O. D. Martin, Jr., of the Stewardship Department of our Baptist State Convention, led the conference.

Your associational stewardship chairman attended the State Convention Leadership Conference at Ridgecrest in May of 1983.

Total budget offerings of the churches this year was **$1,897,652.** This is an increase of **$242,545** over last year. Our churches contributed **$33,455** for the support of associational missions. This is an increase of **$2,743** over last year. The churches contributed **$161,115** for the support of missions through the Cooperative Program. This is an increase of **$16,936** over last year.

All our program planning must be guided by clear objectives which are consistent with our faith commitments and Biblical teachings. These should include: (1) Growth of all church members as Christian stewards; (2) Growth in the awareness and practice of corporate stewardship by our churches; and, (3) Growth in the support of missions through our association and the Cooperative Program.

In order to achieve these objectives, this year we suggest that we seek to attain the following goals:

1 - Total church receipts **5%** increase

2 - Associational receipts **.5 to 2%** increase.

3 - **100%** of churches in our association increasing the percentage of their budget giving to support associational missions

4 - Mission support through the Cooperative Program **1%** increase, with **100%** of our churches cooperating

All churches of the Southern Baptist Convention are urged to participate in a fifteen (15) year Planned Growth in Giving emphasis--1985 thru 2000 A.D. This emphasis was adopted by the SBC last June and, hopefully, will be adopted by our Baptist State Convention during their meeting in November. This emphasis will be launched with a major presentation at the SBC in Dallas, Texas, June 11-13, 1985. The entire program emphasis is to be on Bold Mission Ministries--a total mission saturation setting. You will be hearing and learning more about this emphasis this associational year.

Thank you for your continuing and increasing support. Your increased giving is basic to the effectiveness of our associational program. May God continue to bless our cooperate efforts!

Leonard Watlington (Ephesus) to preach the annual sermon and Rev. Michael Wright (Kerr's Chapel) alternate. Dr. Bill Taylor (Bethel Hill) to preach the doctrinal sermon and Rev. Doug Baltzegar (Mt. Harmony) alternate. The motion was seconded and carried.

Rev. Herbert Brown (Theresa) presented the Officers and Standing Committees as printed in the Book of Reports and on behalf of the Nominating Committee moved they be accepted. The motion was seconded and carried.

Rev. Hassell Lamm led the prayer of commitment.

The Resolutions Committee Report was given by Dr. Bob Brizendine

(Providence P) and he moved the adoption of the resolution on Christian Citizenship and the resolution on the contributions of women. The motion was seconded and carried.

WHEREAS Jesus said he had come "to preach good news to the poor, to proclaim release to the captives and recovering of sight to the blind, to set at liberty those who are oppressed," and in another setting, Jesus called on his people to love their neighbors as themselves,

AND WHEREAS today much can be done by government, expressing the will of the people, to meet the needs of our neighbors -- the poor, the captives, the blind, the oppressed,

AND WHEREAS in a democracy, Christians must share responsibility for the actions of their government, just as they are responsible for their individual activities,

AND WHEREAS those we elect can have a great impact -- for good or for bad -- on the weak, the hurting, and the poor in our land,

AND WHEREAS Jesus said, "inasmuch as you have done it unto one of the least of these my brothers, you have done it unto me,"

BE IT RESOLVED, that we urge all registered voters to prayerfully consider the candidates and the issues, and to vote on November 6,

AND BE IT FURTHER RESOLVED, that we reaffirm the basics of responsible Christian citizenship: to be informed, register, vote, and remember the needs of others.

WHEREAS women were last at the cross and first at the tomb of Jesus,

AND WHEREAS it was to women that the news of the resurrection was first given and they were made bearers of the glad tidings,

AND WHEREAS the strength of our mission education, mission support, and mission action have come largely through the leadership of the Woman's Missionary Union,

AND WHEREAS the Beulah Baptist Association has been blessed by the ministry of God-called women such as Emma Humphries Blalock, Carol Leigh Humphries, Ella Sue Gravitte, and countless others,

BE IT RESOLVED, that the Beulah Baptist Association, meeting in its 150th annual session, acknowledges with deep gratitude the contributions of women to the cause of Christ, and affirms that God calls all Christians to be his ministers.

28. Mr. Russell Dixon led the congregation in singing Hymn No. 265 "God of Grace and God of Glory."

29. The special music was rendered by Mrs. Joan Baynard (Somerset) "I'll Tell It Now" accompanied by Sandy Brady.

30. Dr. Don McKinney delivered the doctrinal sermon on "The Responsibility of The Elect of God." The responsibility is to receive God's revelation, reflect God's will and to reveal God's will to the world. Scripture was taken from Col. 3:12-14 and Eph. 5:1-2. Dr. McKinney said Beulah Baptist Association was established on the principle of missions. The motivation for missions is Christ-like love.

31. The special service at the grave of Stephen Pleasant paid tribute to

the life of one who meant so much to all of us. Rev. Ron Boswell led the roll call of churches that had ever belonged to Beulah Association. A person representing each church placed a flower or a piece of greenery into a basket at the foot of the grave. Harriet Clayton artistically arranged each piece into a lovely floral arrangement.

32. The concluding prayer of thanksgiving and the blessing for the noon meal was led by Dr. Ray Howell.

WOMAN'S MISSIONARY UNION

The WMU Emphasis for 1983-84 *Partnership in Prayer and Ministry* is designed to help WMU members to:

1. Understand the partnership nature of missions in relation to prayer and ministry;
2. By undergirding Bold Mission Thrust through sustained, informed praying; and
3. To respond to opportunities for mission action and personal witnessing.

The Watchword for year "Be persistent in prayer . . . " reminds us that the Lord does not expect us to minister in our own strength. As we draw closer to the Lord through prayer, we will gain the strength, wisdom and ability needed for ministry in our homes, our community and the world.

Some of the ministries WMU has been involved in this year are:

September 30 - October 2 -- Five ladies attended Dayspring at Ridgecrest.

October	The Acteens visited Campbell University, the Leader Manual was taught.
November	Associational Acteens Roundup, The Foreign Mission study was taught, Mission Education Training Lab in Lexington.
December	Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering, money to provide Christmas gifts for inmates at Correctional Center.
January	Mission Friends Leader Manual taught.
February	Focus on WMU, The Home Mission study.
March	Week of Prayer for Home Missions and Annie Armstrong Easter Offering. Seven ladies attended the annual meeting in Fayetteville. Acteens Big A Training.
April	The Beulah Association Annual Meeting was held at Beulah Church. Missionary Kid Carmen Hood White related her experience as a MK growing up in Thailand. All age-levels attended.
May	GAs had a Missions Fair. Beulah Association observed the Sesquicentennial Celebration.
June	A Prayer Retreat was held at North Roxboro Church. Ten ladies attended WMU Week at Ridgecrest. The age-level Manuals were taught.
July	Twenty-four Acteens attended the National Acteens Conference in Fort Worth, Texas.
August	WMU Workshop at Caraway Conference Center. GA Dad-Pastor Picnic, Roxboro Baptist Church.

SUNDAY SCHOOL

The major emphasis of the Associational Sunday School Team for 1983-84, has been primarily the Sunday School Enrollment/Enlargement Campaign. This was carried out with the aid of the Sunday School Board of the State Convention and the Southern Baptist Convention Sunday School Department with them supplying the bulk of expense money and all the printed materials. The total expense for the Association and participating churches was $1,131.16. But the results were greater:

The first one was the "So Send I You" Clinic on Visitation. Eighteen churches were represented with 109 people attending.

The highest point for the Assist team was to earn the Associational Standard for Sunday School. Most of our Team attended Ridgecrest. The rest attended the Mini-Conferences at Caraway. We will continue to train so as to be able to give efficient help to those churches desiring and requesting it.

ASSOCIATIONAL CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential church leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity & Organization, and skill development (in performing the function of a New Testament church).

During this past year Church Training in our Beulah Association:

1. Sent Rev. Charles D. Zitzman to Key Leadership Conference.
2. Sponsored a banquet and materials introduction meeting. Our Church Training State of North Carolina Team conducted the presentation and assisted in paying for the event. Twelve of our churches consisting of forty representatives attended.
3. Promoted Southern Baptist Convention Doctrinal Study through our Beulah Baptist Association Newsletter.
4. Church Training Team attended Church Training Leadership Workshop at Caraway.

Some of the goals set by our associational Church Training Council are:

1. Seek to enroll as many churches as possible in 1984-85.
2. Send Church Training Team to Caraway for training in January.
3. Inventory and make known the 'Equipping Centers' in our associational office.
4. Endeavor to have a 'Youth Night.'
5. Seek direction by prayer and interest on 'M' Night in association.

To strengthen the Church Training programs of our association and to begin new programs and groups we have an excellent Church Training Council. Let me introduce those elected to serve for the coming year.

Rev. Charles D. Zitzman	Church Training Director
Clyde Everette	Adult
Rev. Charlie Sams	Youth
Pat Zitzman	Children

We are available to serve the churches of Beulah Association. Please let us help you by informing us of the particular training needs of your church.

BAPTIST HOSPITAL REPORT
Beulah Baptist Association -- 1984

Look at what God has given us and what He is doing with it through us and for us . . . Our Baptist Hospital.

Baptist Hospital admitted 24,577 patients, treated 211,547 outpatients, cared for 31,930 emergency room visits, performed 700 open heart operations and did 20 kidney transplants.

Quality care advanced through development of a new procedure by neurosurgeons for treating head injuries that resulted in the hospital having the lowest mortality rate, with this kind of injury, in the world. Improvement in Perinatal Care has resulted in a lower infant mortality rate and has a 15% reduction in the number of babies admitted to the intensive care nursery. New non-surgical treatments for ruptured discs and kidney stones offers greater relief for patients with these conditions.

The School of Pastoral Care provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs now under the new director Dr. J. Dewey Hobbs. Chaplains made over 33,000 hospital related visits and over 20,000 hours of counseling was provided at its centers in Winston Salem, Fayetteville, Raleigh, Morganton and Charlotte. The Cooperative Program provided $515,556 for this program and the North Carolina Mission Offering provided $351,801. Four hundred eighteen (418) families were given financial aid to help pay their bills from these funds.

The trustees, staff and patients at Baptist Hospital are grateful to Baptist Churches for their continuing support. God has opened a door of service and blessing for Beulah Baptists and North Carolina Baptist Churches and let us never forget that the more we give to Baptist Hospital the more we and others are blessed and the more our love is expressed to our God.

SEMINARY EXTENSION REPORT

As Beulah Baptist Center begins its third year of operation, plans call for **three** courses to be offered during the fall and spring. Dr. Robert Brizendine will be teaching **Studies in Psalms** in preparation for January Bible Study. **New Testament Survey, Part III - Acts through Revelation** will be offered during the fall. **The Minister's Wife** or **Educational Ministry in the Church** will be taught in the Spring by Laura Baltzegar.

In 1982-1983 one course was offered. In 1983-84 two courses were offered. Fifteen students enrolled the first year and twenty-three students enrolled the second year. We have added four certified teachers and more are being added each year.

Beulah Baptist Center is one of almost four hundred such centers across the United States. Most of them are operated locally by a Baptist association. Each center is affiliated with the Seminary Extension Department, an arm of the six Southern Baptist seminaries. The Seminary Extension Department is part of the Seminary External Education Division, housed in the Southern Baptist Convention building in Nashville, Tennessee. In addition to the network of centers, The Seminary Extension Department also offers most of its courses through correspondence. We now have three new courses available: **The Holy Spirit** (BS6), **Studies in Psalms** (OT 0121), and **Leading a Music Ministry in A Smaller Church** (CM 0271).

THE BIBLICAL RECORDER

History was made last year when the **Biblical Recorder**, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the **Recorder** moved into its own building, becoming the fourth state paper to have its own building.

In February, 1912, the **Recorder** moved into its own building in the heart of Raleigh. In July, 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the **Recorder** is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the **Biblical Recorder** is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the **Recorder** is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will **NOT** be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 per cent higher than 1981) and the new **Biblical Recorder** Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The **Biblical Recorder** does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful **Recorder** reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the **Biblical Recorder** the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

Hassell Lamm, Sr.

REPORT TO THE ASSOCIATIONS RALEIGH AREA FAMILY SERVICES CENTER

The primary purpose of the Baptist Children's Homes of North Carolina, Incorporated is to minister to children and families who need the services we offer. Our main goal is to rehabilitate families. To help accomplish this goal, several programs have been developed:

- -- Co-planning - a particular service offering family/individual counseling.
- -- Emergency Care - a distinctive service in immediate temporary shelter from one to ninety days for school-age children and youth.
- -- Foster Care - for pre-schoolers and other children needing a close, one-to-one relationship with adults.
- -- Group Care - campus living with supportive services readily available, such as recreation, crafts, education, medical care, worship opportunities, and social work services.
- -- Maternity Care - to assist the expectant unwed mother in making realistic plans for herself and her baby.
- -- Therapeutic Camping - an outdoor setting where troubled male children and youth can learn problem-solving techniques in a group setting.

All of these services are available through the Raleigh Area Family Services Center, with offices located at 2600 New Bern Avenue, Raleigh, N.C. 27610. The area served by the Raleigh Area Family Services Center includes Chatham, Durham, Franklin, Granville, Johnston, Lee, Nash, Orange, Person, Vance, Wake and Warren Counties.

We appreciate the opportunities to share Baptist Children's Homes' services with people in the churches and communities. We also welcome the help others give us when they share the story and ministry of Baptist Children's Homes.

Thank you Baptists for your faithful support for nearly one hundred years of child care.

BAPTIST FOUNDATION REPORT TO ASSOCIATIONS, 1984

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T.", was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we **could** continue our witness forever. We know that we **should** plan for such continuing witness. And now each of us **can** participate in permanent support of our particular Baptists interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year -- forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day." Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E. T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts -- income which is all paid out to Baptist causes or annuitants -- was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work -- forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

INFORMATION FOR PREPARATION OF HIGHER CHRISTIAN EDUCATION REPORT TO ASSOCIATIONS, 1984

YOUR NORTH CAROLINA BAPTIST COLLEGES

Campbell - Chowan - Gardner-Webb - Mars Hill - Meredith - Wake Forest - Wingate

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as **a place for study; a place for growing in spiritual and intellectual maturity**; and **a place where life continues and futures are shaped**.

That same report says Baptist colleges are **worth what they cost** because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your people, your gifts and your prayers.

Leonard Watlington

REPORT TO THE ASSOCIATIONS ON BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

Through many special individuals, blessings of great significance are coming to the Baptist Retirement Homes.

Through this annual report, I want to share with you some of the events and activities that are blessing the lives of residents through the special people who are giving unselfishly of themselves to the ministry of the Baptist Retirement Homes. Heading the list of special people are you -- North Carolina Baptists. From October, 1983 - April, 1984, you gave 26.3% of the Homes total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984, are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Currently, approximately 40% of the residents in the five Homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwite their full cost of care. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given. May I add that your prayer support, your personal encouragement and visits are also greatly appreciated because they mean so much to the residents, staff, and to the ongoing effective ministry of the Homes.

To effectively operate a $3.2 million ministry takes a diverse group of individuals looking from many different perspectives at financing, planning, upkeep, development, etc. One special group of these individuals are the Trustees whom you have elected. These 20 individuals are your voice in the overall operations of the Homes' ministry. Numerous major decisions have been made by the Board in the last several months. These decisions have launched a Capital Funds Campaign -- "A Call to Remember . . .," revised admission policies, secured consulting services to review the total operations of the Homes. Members of the Trustees are comprising a Search Committee to locate my successor upon my retirement in October, 1985. The Board's expectations of the SunHealth's consultants are coming to reality and many recommendations are being considered to provide the Homes' ministry in more effective ways. In an effort to more effectively depict the ministry which the Homes are rendering, the Trustees voted to change the Homes' name to the Baptist Retirement Homes of N. C., Inc. The name change was approved by the Convention during the 1983 session. I'm grateful for each of our Trustees. They are rendering an invaluable service and ministry to older adults through their commitment to the ministry of the Retirement Homes.

Operating expenses for the Homes' ministry increased approximately 3% during the 1983 fiscal year. Currently, expenses are running 3.6% ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase. They are truly a special part of the Homes' ministry with older persons. Faithful staff members and their dedication to the Homes and the residents add an important plus as the Homes minister with older persons.

During the past months, another group of important people have come together for a special purpose and work in the life of the Retirement Homes. For the first time in the Homes' history, a state-wide Capital Fund Campaign has been undertaken. Fred Lovette, retired President and Chairman of the Board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise $2½ million through the "A Call To Remember . . ." Campaign. Through the efforts of Fred and many other individuals, many new friends have been made. Gifts to the "A Call To Remember . . ." Campaign are going to be used to renovate and update the Hayes Home facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

In closing, we must realize that long-term care of older persons means just that. Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group. I feel that as Baptists we want to be on the cutting edge of an effectively ministry with this growing group of individuals. Through your continued support, the work of Trustees and the continued effective service of the staff, we can be and must be the hope for many older people in our state. I trust your support and encouragement will grow in proportion to the needs that we have as a ministry with older persons. Our doors are always open to your visits, calls and inquiries for admissions, etc. Please let us hear from you that together we might work to be an effective ministry for our Lord.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give us as North Carolina Baptists.

William A. Poole
President
Baptist Retirement Homes of N.C., Inc.

BEULAH BAPTIST ASSOCIATION STEWARDSHIP COMMITTEE REPORT

The association sponsored a stewardship conference, April, 1984, with 15 pastors present. Dr. Talmage Williams of the Stewardship Department of our Baptist State Convention led the conference. It was in this conference that help in planning church budgets as requested. As a result, a Church Budget Seminar was held May 17, 1984. The pastors and budget committee members of every church in the association were invited. There were 28 persons present for the Seminar, led by Dr. Talmage Williams.

Your associational stewardship committee chairman attended the State Convention Leadership Conference at Ridgecrest in May of 1984.

Total budget offerings of the churches this year was $1,993,524. Our churches contributed $34,889 for the support of associational missions. The churches contributed $179,815 for the support of missions through the Cooperative Program. We encourage each church to grow in giving.

Whereas, we suggest, once again, that we seek to attain the following goals:

1. Total church receipts 5% increase.
2. Associational receipts .5 to 2% increase.
3. 100% of churches in our association increasing the percentage of their budget giving to support associational missions.
4. Mission support through the Cooperative Program 1% increase, with 100% of our churches cooperating.

All churches of the Southern Baptist Convention are urged to participate in a 15 year PLANNED GROWTH IN GIVING emphasis -- 1985 - 2000 A.D. Our Baptist State Convention has voted to join this emphasis. The purpose of this emphasis is to relate people to God in such a way that they will express His giving nature, which is vital to spiritual growth. PLANNED GROWTH IN GIVING is a commitment to adopt a "growth plan" so that:

Church members - will increase personal giving through their churches by some percent of income each year from 1985 - 2000.

Churches - will increase giving by some percentage through the Cooperative Program and their associations each year during 1985 to 2000.

Associations - will increase awareness of Bold Mission Thrust in the churches and to enlist their participation in "Planned Growth in Giving."

State Conventions - will increase the percentage of Cooperative Program funds shared with Southern Baptist Convention ministries each year.

Southern Baptist Convention - will increase to at least 75 percent in the percentage of Cooperative Program funds allocated to foreign and home missions.

1986-1987 are introduction years, with 1988 - 2000 being nurture and growth years.

Hopefully, this will be a spiritual growth time that will bless families, churches, and denominational causes and that "individuals in making growth-in-giving commitments will experience great spiritual victories."

I move that our association adopt this emphasis and encourage the churches to participate.

Your increased giving is basic to the effectiveness of our associational program. Thank you for your financial support.

Charles Long, Tom Fox,

ANNUITY REPORT

A TRAGEDY IN MINISTRY

By Garland A. Hendricks 1981

I have spent more than thirty years trying to help prepare young ministers to fulfill God's call in churches and on mission fields. During this time I have worked with about 5,000 ministers in the classroom and on the field; and with almost 3,000 churches in efforts to find places of service for these dedicated men and women.

Now, in retirement, I am working with the Annuity Board of the Southern Baptist Convention in its efforts to lead our churches to invest enough money in retirement and insurance protection plans so that God's faithful pastors and other church ministers can face life's afternoon and sunset with dignity, financially secure.

I have come face to face with a great tragedy amongst us. 1,100 of our churches in North Carolina do not have their pastors involved in the Annuity Board's retirement income program. Most of the churches do not have retirement plans for their other staff workers. More than 2,000 of our churches do not provide medical insurance, level term life insurance, or disability income insurance protection programs of the Annuity Board for the security of their ministers. Many churches which participate in the retirement program are currently paying into their pastor's account the minimal $33.34 per month, which will provide only a meager pittance of monthly income for a retiree in today's inflated economy.

Fifteen years before I retired I realized that it would be necessary for me to put more money into my retirement fund than my employer was investing at the time. So, I began a discipline whereby each year when I would get a salary increase I had my employer deduct some of my salary and invest it in the Annuity Board's tax deferred plan. This was a practical way to increase my funds for retirement income after age 65. As a result, my wife and I are living in dignity, free from financial worry because my employer and I faced my retirement needs in a realistic way.

Not so with some of my friends who have devoted their mature lives in ministry in the churches. In retirement they are insecure, frustrated. Before them in the western horizon and sunset of life there is a dark cloud of poverty and despair, when, with proper help from the churches they might face a beautiful multi-colored western sky glowing with security and dignity.

I am pleading with all of us who labor in the service of our Lord, trying to help the churches carry out God's true ministry, to open our eyes to the stark reality of this tragic situation. In the denomination and in the local churches we need to work together in a bold, enthusiastic, continuing effort to explain to local church leaders and congregations how the Annuity Board can provide financial protection for both the churches and their ministers.

It is urgent that every minister, early in life, come to grips with what his family will need after he retires in terms of a house to live in and a monthly income which is enough to pay necessary expenses. He should also have a guarantee of an adequate monthly income to provide for his family if he should lose his health before age 65. It is now time to start planning for the retirement years, whatever the minister's age at this time.

It is urgent that each church do three things as quickly as possible:

1. Get the pastor and other staff workers in the Annuity Board's retirement program, so that adequate funds may be invested which will grow and provide an adequate monthly income when that person retires. This is important, because all of us now realize that Social Security will not be enough.

2. Increase the amount of money that it invests in the minister's account with the Annuity Board so that it will be ten percent or more of his financial

support by the church (which includes salary, plus housing allowance or fair rental value of the church-owned parsonage fully furnished in the community where the church is located, plus travel allowance).

3. Provide financial protection, in case of illness or disability prior to age 65, for the minister and his family through the Annuity Board's medical insurance program, level term life insurance program, and disability income insurance program. Each of these programs is designed to protect the congregation as well as the minister and his family in case of illness, early death, or loss of health.

Most of the pastors and other church ministers in churches in North Carolina live on meager salaries. There is no way they can prepare for an adequate income in retirement, or for early retirement due to incurable disease, out of the earnings they receive from the churches.;

I am appealing to those of us who are in positions which provide well for us to demonstrate real Christian concern for our less fortunate colleagues who are ministers in the local churches. These include denominational leaders, deacons in the churches, and members of church finance committees who prepare church budgets to recommend to the congregations.

How can we expect the great host of ministers in the smaller churches, which constitute the very heart of our denomination, to have the motivation to do their best work when they have so little financial support? We expect them to promote the Cooperative Program and every other denominational cause with enthusiasm and boldness. The very strength and stability of Southern Baptists is at stake.

These men and women of God, leaders in the local churches, are not mercenary. If so, they would quit and leave the churches without ministerial leadership. They are burning out their lives in dedicated Christian service for a pittance of financial support.

Let's join heads, hearts and hands and make it possible for our ministers, when they retire, to march into life's late afternoon and sunset with security and dignity.

For help in this important matter contact Sam Oneal, Department of Retirement Planning, Baptist Building, 301 Hillsboro Street, Raleigh, N.C. 27611. Phone (919) 833-1605.

Respectfully submitted,
Jeff Rogers

REPORT OF MISSIONS COMMITTEE OF BEULAH ASSOCIATION
1983-84

The report of the missions committee is as follows:

(1) Met for consideration of an application for pastoral assistance by one of our member churches. Submitted the application to church assistance department of state convention for decision.

(2) Consideration of mission possibilities such as mission churches or mission Sunday Schools within area of Beulah Association. Committee decided that each church be contacted to determine the geographical lines of the communities they specifically minister unto. Churches are urged to do necessary mission work in their community. Pockets of

peoples and areas outside of the church's own target areas will be considered initially as possible sites of associational missions involvement.

(3) Met jointly with finance committee upon request of Executive Meeting to discuss Acts program.

Respectfully submitted,
Charlie Sams, Chairman

Committee members:
Bob Brizendine, Sanford Long, Ruth McNabb, Bessie Pixley, Charlie Sams.

EXECUTIVE COMMITTEE

The Executive Committee met at the Roxboro Baptist Church on January 16. Reports from the offices and committees were heard. The Executive Committee authorized the association to underwrite the cost of publishing the History Book of the Association and Churches being written by Rev. Ronald Boswell. Dr. Ray Howell III was elected to be the Associational ACTS Representative to work with the Baptist State Convention.

The Executive Committee met at the Beulah Baptist Church on May 21. Reports from the officers and committees were heard. A motion was made that an appropriate committee of the association study the feasibility of the association becoming a member of the board of ACTS and also giving financial support to it. The motion was seconded and passed. A tentative budget for the coming year was presented to the committee. The Nominating Committee presented a report to the committee. The Executive Committee voted to participate in "Good News America" simultaneous crusade to be held in the Spring of 1986, March 23-30.

The Executive Committee met at the Roxboro Baptist Church on September 17. Reports from the officers and committees were heard. The Stewardship Committee presented the budget for the coming year. The budget was approved. The Nominating Committee's Report was presented and approved.

AMERICAN BIBLE SOCIETY

Since its beginning, the primary goal of the American Bible Society has been to provide as many people as possible with the written word of God. Last year Bibles were sent into more than 150 nations and Southern Baptists helped by giving thousands of dollars. The question many people will ask will be concerned with the possibility of giving more money and sending more Bibles. The real question is not what other Southern Baptists will do, but what will Beulah Association do through our individual churches? I would challenge each church in this association to take at least one special offering for the Society or include them in your budget for this coming year.

Respectfully submitted,
Michael Wright

A RESOLUTION ON CHRISTIAN CITIZENSHIP

WHEREAS Jesus said he had come "to preach good news to the poor, to proclaim release to the captives and recovering of sight to the blind, to set at liberty those who are oppressed," and in another setting, Jesus called on his people to love their neighbors as themselves,

AND WHEREAS today much can be done by government, expressing the will of the people, to meet the needs of our neighbors -- the poor, the captives, the blind, the oppressed,

AND WHEREAS in a democracy, Christians must share responsibility for the actions of their government, just as they are responsible for their individual activities,

AND WHEREAS those we elect can have a great impact -- for good or for bad -- on the weak, the hurting, and the poor in our land,

WHEREAS, our society, our homes and our churches demonstrate a need for this evangelistic effort nationwide; and
WHEREAS, materials, advertising and trained personnel have been made available by the Beulah Baptist Association, the Baptist State Convention of North Carolina and the Southern Baptist Convention to enable us to participate; and
THEREFORE BE IT RESOLVED, That we the messengers of the one hundred fifty-first Annual Session, meeting October 22-23, 1985;

URGE our churches to participate 100 % in this nationwide evangelistic effort;
URGE our churches to conduct Evangelistic People Search/Scripture Distribution;

AND WHEREAS we are convicted that prayer is the mightiest force in the world.
AND WHEREAS we understand that it is easier to do the work rather than praying over it, and that being a giant spiritual problem.

AND WHEREAS it is impossible to "seek His face" and gain experiential knowledge of the Father apart from prayer.
AND WHEREAS our Lord and Savior Jesus Christ set the example of prayer for us in each and every area of His ministry on earth and continues the same example at the right hand of the Father.
BE IT RESOLVED that the Beulah Baptist Association, meeting in the 151st annual session, urges each pastor or leader present, to issue this same call to prayer for a Holy Ghost awakening among God's people.

Missions Committee Report

At last year's annual session, the Missions Committee and Stewardship Committee presented a joint recommendation that the Beulah Baptist Association contribute $2,000.00 to the local ACTS board for equipment, and that the churches be encouraged to receive special offerings and contribute to the Association designating such gifts for ACTS. The $2,000.00 has been contributed and ACTS is scheduled to begin on Roxboro cable in October 1985. This has potential to be an excellent mission opportunity for our local area.

The chairman of the Missions Committee attended the Key Leadership Conference at

Ridgecrest in May. The conference dealt primarily with special ministries to migrants, ethnic groups, the deaf, blind, and retarded.

A survey of mission opportunities revealed the following on-going mission endeavors:

Beulah Pastor's Conference - ministry at Baptist Home for the Aging at Yanceyville.

Person County Ministerial Association -
- Ministry at Roxboro Nursing Center and Maple Heights Nursing Home
- Chaplaincy Program and Sunday School at Person County Memorial Hospital
- Chaplaincy Program at Piedmont Technical College
- Operation of Christian Help Center
- Ministry at Senior Center, Roxboro

Hopefully, the People Search segment of the "Good News America — God Loves You" campaign can set the stage for beginning missions or new churches as needed in 1986-87.

Bob Brizendine
Chairman, Missions Committee (1984-85)

ACTS

Two long years of hard work, prayer and planning came to fruition on October 15, 1985, when the ACTS television network went on the air on Roxboro Cablevision. ACTS has become one of the fastest growing cable networks in the nation, now reaching into more than 3.3 million homes. Reports coming from all across the nation tell of lives being changed, suicides being averted, needs being met, and people finding the Lord Christ.

Our local board is officially known as Roxboro-Beulah ACTS, Inc. The board was formally incorporated on May 21, 1983, at the first annual meeting. Members of the board are: ROXBORO BAPTIST CHURCH - Dr. Ray N. Howell, III, President, Dr. Thomas Long, Mr. S. Rick Gentry, Secretary,a nd Mr. J. W. Green. NORTH ROXBORO BAPTIST CHURCH - Rev. The three member churches are paying 10¢ per resident per month for satellite rental. They are also continuing to support the local ACTS board.

It is too early to evaluate the impact of ACTS on the local community. We are very optimistic about the influence ACTS will have on Roxboro. The board is looking ahead with hopes of raising another $5,000.00 to enable us to begin local telecasting. We earnestly seek the prayers of our sisiter churches in the Beulah Baptist Association.

Baptist Children's Homes Report

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day," the centennial celebration was well on its way. Phil Young of Henderson was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, *A Hundred Years of Caring*, an updated history of the Homes. Baptists from across the state submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "'00 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Raleigh Family Services Area reveals the following highlights:

The Raleigh Family Services area director worked with families attempting to identify problem areas within the family. Part of this process is to guide families in the alternatives available which may help them alleviate some of the tensions in the home.

One alternative is to place the child in our care for a period of time. These placements have been in group care, thehrpeutic camping, foster care, emergency care, and maternity care. Efforts to reunite the child with his family is a continuing goal of our staff.

Upon leaving one of our services, families often participate in co-planning, including a number of our college students. Another alternative available to families is individual, family and marriage counseling by the staff of the Baptist Children's Homes.

We are grateful for the continued support of Baptists.

Baptist Hosptial

Report to the Associations - 1985

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,287,316.00. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367.712.33 through the North Carolina Missions Offering. The hosptial staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.00.

North Carolina Baptist College Report - 1985

Campbell	Chowan	Gardner-Webb	Mars Hill
1887	1848	1905	1856
Meredith	Wake Forest	Wingate	
1891	1834	1895	

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 779! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

The Biblical Recorder

Report to the Associations - 1985

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the *Biblical Recorder* is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are *not* members...of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The *Recorder* gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will *not* be raised for the *fourth* consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as *The Biblical Recorder*.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

Hassell Lamm, Sr.

The North Carolina Baptist Foundation, Inc.

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153.00 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P. O. Box 26508, Raleigh, North Carolina 27611.

Council on Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were six associational or church-wide Family Enrichment Conferences; three marriage enrichment retreats in addition to sponsoring the annual three-day Clergy Couples Retreat in January and the four-day Basic MER Leadership Training Conference in August; two area-wide single adult seminars and an associational single adult event. The Director also spoke at two Better Homes Clubs, and one church night family emphases on topics such as "Ten Commandments for a Good Marriage." He also led three Family Life Revivals, preached in three churches on a Christian family emphasis, spoke to two Baptist associations on ministering to families and divorce in the pastorate, and conducted three parenting workshops. Slide presentations on Togo and Baptist distinctives were presented in two churches.

Two major foci of the department this year were making available four Domestic Violence Conferences in which the Director offered leadership; also three Divorce Adjustment Workshops were led by Dr. Roger Crook, family life specialist in the area. These were held in each area of the state under the department's sponsorship.

Two planning meetings of the Family Ministry Department, Sunday School Board, were attended in Nashville and Houston. The Southern Baptist Association of Family Ministry was also attended.

Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

DEPARTMENT OF AGING

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older persons. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participated in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance.

The department continues to cooperate with the Christian Family Life Department in family enrichment conferences with sections for older persons.

Many churches observed senior adult emphasis day.

Baptist Retirement Homes of North Carolina, Inc.

For over 34 years, North Carolina Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works—providing security and hope in the midst of sincere concern and love—bringing about the possibiility for abundant life—one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Administrative Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the Retirement Homes' ministry from August, 1984 - June, 1985:

- The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.

- Over 30 new residents were admitted to the Homes and Nursing Care.
- Group Home fees for care were not raised. Cost containment and budget controls made this possible.
- Over $100,000.00 of benevolent care was provided monthly to Home residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
- "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20.00 gift.
- The Homes' Nursing Care Unit, Winston Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible.
- The Nursing Care Unit is operating at 95% plus occupancy.
- Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.
- A 20-minute video tape "Not An Ordinary Person" has been produced to be used in communicating the Retirement Homes' ministry.
- The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston Salem, North Carolina.
- After more than 24 years of service to North Carolina Baptists and the Retirement Homes, Homes' President Bill Poole retired. A Trustee Search Committee is actively seeking the person to become the third President of the Baptist Retirement Homes of North Carolina. Jackson Hoyle is serving as Interim Director.
- The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000.00 was given to support the Retirement Homes' ministry. Information about the Heritage Club is available from the Administrative Offices, Winston Salem, North Carolina.
- The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults—Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

Evangelism

"GOOD NEWS AMERICA - GOD LOVES YOU!" This is the theme for the 1986 Southern Baptist Simultaneous Revival effort which has been the primary emphasis in evangelism for the Associational year, 1984-85. At the end of August 22, churches had committed themselves to participate in the 1986 simultaneous revival effort.

The first Associational Evangelism Conference in many years was held on May 7, 1985, at Roxboro Baptist Church. Although the attendance was small, the spirit was excellent as Rev. J. W. Hutchens, Director of Evangelism for the Baptist State Convention, preached a powerful sermon on evangelism and challenged the churches to be involved in "Good News America." The majority of those in attendance made public commitments to lead their churches in evangelism and outreach.

Many of our churches have ordered the special "Good News America" New Testaments prepared especially for the Evangelistic People Seach/Scripture Distribution to be held in October. A training session for all churches participating in the people search was held on October 7. Rev. Bob Baynard led in this training. We had 61 people attending this meeting representing 16 churches.

Eleven pastors attended the Lay Evangelism School seminar on August 26 and 27 at Montwood Baptist Church. Rev. Charles Zitzman who had received this special training earlier in the year led the seminar for th pastors who planned to lead their churches in witnessing training.

As we near the end of 1985, our hopes and prayers increase with the anticipation of "Good News America." The dates for Beulah Baptist Association will be March 23-30, 1986. We know the "fields are white unto harvest." Let us work and pray so the laborers will increase and reap a bountiful harvest.

Dr. Ray N. Howell, III

Associational Church Training Report

Church Training in Beulah last year had several very successful training events/

During the year we held a "Youth Night" which centered on dating. Through group discussions led by our pastors and youth workers and the study of some case studies our youth were able to measure their own dating habits with the biblical principles.

It was my priviledge to attend a seminar on "Lay Evangelism School" at Caraway and receive my teaching certification. I was then able to hold a class for our Beulah pastors and certify them to teach in their respective churches.

Through the kits available from North Carolina Church Training, we were able to supply some free literature to start Church Training. We have seen some new work begun in Beulah and thank God for it.

Our Church Training Team is available to meet the needs of our churches. Let us know when we can be of help in your church.

Rev. Charles D. Zitzman	Church Training Director
Clyde Everette	Adult
Rev. Charlie Sams	Youth
Pat Zitzman	Children

I want to thank my Church Training team for their cooperation and interest in seeing our churches better equipped to train their people.

Stewardship Committee Report

Your associational stewardship committee chairman attended the State Convention Leadership Conference at Ridgecrest in May of 1985. The conference dealt primarily with the Planned Growth in Giving emphasis. This 15-year (1985-2000) growth plan challenges each Baptist, each family unit, each church, and each state convention to respond with a percentage increase in giving each year. "Growing is God's plan for Christian living."

Planned Growth in Giving Seminars will be held in associations as requested by the associations. Our association adopted this emphasis last year, encouraging our churches to participate.

Total budget offerings of the churches this year was $2,165,676.00. Our churches contributed $39,747.00 for the support of associational missions. The churches contributed $195,182.00 for the support of missions through the Cooperative Program. Nearly 100% of our churches made financial contributions to Beulah Association this year.

Thanks for your excellent financial support of your associational program. Your bold giving is basic to the effectiveness of the associational program.

Respectfully submitted,
Herman Absher, Chairman

Report of the American Bible Society to the Southern Baptist Associations

The American Bible Society reached a major milestone in 1984, distributing its four billionth copy of Scripture, and the Southern Baptist Convention has had a vital role in this achievement. It is with the deepest gratitude for your faithful support that ABS submits its report to you this year.

We praise the Lord for reports coming to us from over 180 countries concerning the advances which are being made in all aspects of the Bible cause. ABS and its 99 partners in the United Bible Societies around the world are currently involved in translating the Word of God in 562 languages. In distribution, all indications are that there were significant increases throughout the world in 1984 and dramatic increases in areas where there are extreme needs. The impact of the Bible on the lives of countless souls is inestimable and we give our heartfelt thanks to Southern Baptists who are co-workers in the worldwide vineyard with us.

The following is the kind of moving account of the power of the Scriptures in people's lives which Bible workers hear constantly. A young widow in Ghana, lonely and grief-stricken for two years, was reached through reading the precious Word of God. After telling a Bible Society worker about her grief she said, "...but last night I decided to read my Bible and the passage which caught my eye was John 14:1-2. As I read, joy filled my soul and my heart was comforted at last." It is with Southern Baptist support that many individuals like this are finding Christ and growing in His grace.

However, with all of the faith and optimism, there is also reason for great concern. Sustaining and increasing programs, planning effectively for Youth Advance and meeting the urgent requests which come in to us constantly will only be possible through greatly increased support from the churches. A top Southern Baptist leader recently made this statement: "Without the truth revealed in Scriptures, missionaries would have no message to carry. Bold Mission Thrust would become little more than a fantasy. But the availability of God's Word in all languages to all people cannot be assumed. It must be provided."

In 1984 Southern Baptists gave $309,610.00 to the Bible cause. The largest portion of these gifts came from individual local churches. Translated into practical terms, these contributions meant that God's Word could be placed in the hands of thousands of men, women and children throughout the world.

The American Bible Society gives thanks to you for your support and for your prayers, and looks forward to increased ties of fellowship. Our pledge to you is to work increasingly in parttnership with you to fulfill the great commission of our Lord and Savior, Jesus Christ.

Michael Wright

Woman's Missionary Union

COME GROW WITH US! We will continue this emphasis as we seek to double enrollment through 1988. For the last three years Beulah WMU has grown in members in each age-level: Baptist Women, Baptist Young Women, Acteens, Girls in Action, and Mission Friends. We have great potential for growth and I believe Beulah has decided to grow.

Churches have been encouraged to write the history of their WMU and the associational history has been researched, compiled and written by the Centennial Chairman, Mrs. Nina Welch of Mount Harmony Church. What a rich heritage we have in Beulah. It should inspire us to go forward and do even greater work in the future. It should make us more aware of the importance of good record keeping. Woman's Missionary Union will be one hundred years old in 1986 in North Carolina. How exciting to be a part of this once in a life-time event!

As the churches participate in mission study for Foreign and Home Missions, we are made aware of the needs in our world. During the observance of the Weeks of Prayer for Foreign and Home Missions we pray for those needs and give of our money to help meet the needs. We are actively involved in missions through praying and giving.

The annual meeting in Winston-Salem was represented by members from Mount Harmony, Clement, North Roxboro, Mill Creek, Berry's Grove, Timberlake and Roxboro Churches.

The Beulah Annual meeting was held at Providence (Person) Church April 16. Mrs. Jean Poe, retired missionary from Brazil was the speaker. Also featured on the program was the Association for Retarded Citizens' Boy Scout Troop led by Mr. Waymon Burwell and Mr. Radford Garrett. The boys displayed their skills on the guitar and truly warmed our hearts.

Associational Emphasis Week was observed at Roxboro Baptist Church May 24. A study of the mission action book *To Listen, To Love* was taught. A gift from WMU was presented to Rev. & Mrs. Hassell Lamm in appreciation of their work in the association.

Beulah Association sent four messengers to the SBC annual meeting in Dallas, Texas June 9-10.

Several leaders from Berry's Grove, Timberlake and Roxboro churches attended WMU Week at Ridgecrest in August for training.

The Leadership Conference was held at Timberlake Church in September with 104 attendding.

Sunday School

The major emphasis of the associational assist team for 1984-85 has been primarily the 8.5 by 85 Campaign. We did fairly well with an enrollment of 5,255 which is an increase of 90, but you must consider those lost by moving or death. Our high attendance on September 29th was 3,438. This was to be Celebration Sunday closing out both Super September and the 8.5 by 85 Campaign.

On February 11, 1985 we had a workshop on "How to Make Your Sunday School Evangelistic." Sixteen churches participated in this workshop. Each department level was led by the assist member for that age group.

Then on March 25-26 we had an annual Associational Training School. Each department was taught by an assist member. The book recommended to be used was *Our Growth is Built on the Basics* which deals with basics of Sunday School.

Number of churches participating: 14.

	Enrollment	Church Study Course Awards Requested
General Officers	17	15
Workers with adults	35	20
Workers with youth	10	7
Workers with children	11	9
Workers with preschoolers	9	6
Other (specify) SPECIAL CLASS	7	5
Total	89	62

On May 6th we had a Pastor and Sunday School Directors Planning Workshop led by Phil Stone from the State Convention Sunday School Department.

The assist team workshop "Effective Worker" at High Point was cancelled due to snow. Then is was rescheduled for April 30th which was attended by each member.

The last few months we have spent our time getting ready for the first two phases of "Good News America-God Loves You." On October 7th we had a training session at Roxboro Baptist on "Evangelistic People Search, Scripture Distribution, Prospect Cultivation Church Guide."

As this report is being given we are in the process of doing the people search distribution. The calendar dates are October 20-26.

Resolution on the Call for Prayer for Spiritual Awakening

WHEREAS history has never recorded a renewal, Spirit-guided awakening or revival apart from the awareness of the need for constant and corporate prayers on the part of God's people.

AND WHEREAS we are convicted that prayer is the mightiest force in the world.

AND WHEREAS we understand that it is easier to do the work rather than praying over it, and that being a giant spiritual problem.

AND WHEREAS research has shown that laymen pray on an average of two minutes a day and pastors are not doing much better in averaging seven minutes in prayer each day.

AND WHEREAS it is impossible to "seek His face" and gain experiential knowledge of the Father apart from prayer.

AND WHEREAS our Lord and Savior Jesus Christ set the example of prayer for us in each and every area of His ministry on earth and continues the same example at the right hand of the Father.

BE IT RESOLVED that the Beulah Baptist Association, meeting in the 151st annual session, urges each pastor or leader present, to issue this same call to prayer for a Holy Ghost awakening among God's people.

AND BE IT FURTHER RESOLVED that we urge our people to committ themselves to 15 to 30 minutes each day to pray for nothing except spiritual awakening among the people.

J. Michael Wright
